

PRODUCT SPECIFICATIONS

Ronan Bed Queen | Bark

The Ronan Bed Frame is a study in comfort and craftsmanship, designed to transform the bedroom into a restful retreat. Its low, grounded silhouette and cloud-like form create an inviting sense of calm, while the soft Soft Weave Stone upholstery offers a tactile, skin-smooth touch. Artisanal ruching details add depth and texture, complementing the bed's plush, cocooning profile.

FEATURES & FINISHES

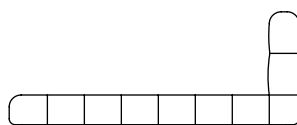

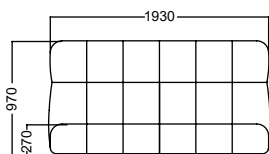

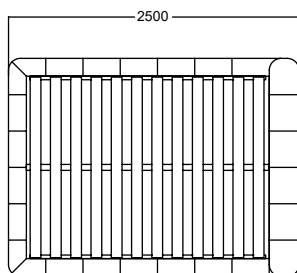

Built with sturdy construction and wrapped in high-resilience foam, the Ronan balances durability with refined softness. Thoughtfully finished with removable covers, it allows for effortless care and the flexibility to refresh your space over time.
