Midnight

Description

With a hint of glitz this chair will be a showstopper. The Belair Chair is all class and will create a glamorous space.

Features

- + The Belair Dining Chair is sure to be the centre of attention in any room.
- + The chair features a polished gold frame with a swivel function that demonstrates a combination of elegance and practicality.
- + This chair has gone the extra mile to ensure comfort by adding material on the armrests whilst still upholding its stylish look.
- + This chair is not only suitable in a dining setting, and is it acts as an excellent piece that will enhance any room.

Product Care

Use a vacuum cleaner with an appropriate attachment to remove any dust and avoid hard brushing as this may cause snagging of threads.

If thread does become loose or snagged, avoid pulling it and simply cut it off. Avoid placing sharp objects such as buckles, pens, keys, or heels onto the fabric as it will cause snagging.
