

Cabot Sofa

Canyon Whiskey

Gus*

Description

The Cabot Sofa features a tight seat and back, with architectural, wood block feet and simple French seams, offering a comfortable, modern take on a traditional, masculine design.

Available in two vintage leathers chosen for their unique grain characteristics that will age beautifully and develop a rich, natural patina over time. Our leather hides are carefully selected for their raw, natural surface characteristics which make each piece unique.

Features

- + Leather is top grain, aniline-dyed.
- + Our leathers may have distinct surface characteristics, natural markings, and colour variations which differ from hide to hide and from one product to another, making each leather product unique.
- + Tight seat and back cushions are medium density polyurethane foam covered in a Dacron wrap.
- + Inner frame is kiln-dried hardwood.
- + Block feet with a walnut stain finish.
- + Plastic bumpers on all legs to prevent floor damage.

Product Care

Leather can last for many years with the right amount of care and upkeep.

Dusting leather furniture on a regular basis keeps it clean and prevents any damage. Try to avoid contact with water or spills as this will result in marks on the leather. If you do have a spill, clean it straight away and we recommend sourcing a quality leather cleaner and following the instructions by the cleaning product manufacturer.

When placing your leather furniture items around the home, avoid direct sunlight, and keep items away from direct heat such as heating vents, fireplaces, etc. Avoid placing sharp objects such as buckles, pens, keys, or heels onto the fabric as it will cause cuts and tears in the leather.

Colour: Canyon Whiskey | Walnut

Material: 100% Leather | Timber

Finish: Walnut

Dimensions: 2110W x 890D x 760H mm

Product Code: GUS-CAB-WKY-1
