

Emma

3-SEATER SOFA

Emma is a fully upholstered 3-seater sofa with a modern and soft look, and it really invites to sink all the way down into the deep cushions and soft backrest. The curved armrests and the retracted base give Emma a very unique aesthetic as well as make the sofa appear light despite the somewhat heavy soft cushions. The inner frame of FSC certified wood comes with lifetime guarantee and we use HR foam and nozag springs which combined makes the product both long-lasting and comfortable.
