

Gloria

3,5-SEATER SOFA

Gloria is a lounge sofa with a very industrial and exclusive design, especially evident in the combination of the rounded corners of the sofa body and the chromium-plated sled base on each side. The design of Gloria is one of contrasts – the soft materials against the hard, the voluminous cushions against the slender steel curves, and how these clashes come together to create a sense of harmony. A bit of a statement sofa if we were to say so ourselves.
