

The Everyday Comfort Mattress Unboxing Guide

Step 1: Unbox

Lay the box down.
Open the end & pull out the mattress.

Step 2: Remove Outer Film Wrap

Use the plastic cutter in the box to cut the film wrap of the mattress. Please be careful to avoid cutting the mattress inside.

Step 3: Unroll

Place the mattress on a flat surface & carefully unroll it.

Step 4: Remove the Vacuum Bag

Carefully cut the vacuum bag and the mattress will expand. Remove the mattress from the bag.

Step 5: Mattress Expansion

Suitable for immediate use, but please note that it may take up to 3-5 days to fully expand and reach its final height and feel.
